- Three flexible settings for more control
- Compact design for easy handling
- Easy storage hook for convenient storage
- Foldable handle for easy portability
- 1.6 m power cord

PHILIPS
sense **and** simplicity

Highlights

Foldable handle

This hairdryer benefits from a foldable handle. The result is a small, compact hairdryer that will pack easily into even the smallest spaces and that you can take virtually anywhere.

Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

Three flexible settings

The speed and heat required can be easily adjusted to create the perfect end result. Three flexible settings ensure precise and tailored styling.

1200W

This 1200W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

Cold air setting

A cold air setting is a low heat setting that gently dries the hair to minimize damage. This function is suitable for all hair types, but especially for fine, dry or damaged hair. It is a perfect setting for the hot summer season!

Specifications
